2024 AFA AFFECT Mentoring Event

AFFECT is hosting a day-long mentoring workshop in conjunction with the 2024 AFA meetings. Twelve women (pictured below), each of whom is a senior faculty member within finance, have generously offered to serve as mentors. The event will include both breakout research sessions and panel discussions led by mentors. The breakout sessions will be in small groups, organized by research area. The panel discussions will focus on issues such as publishing, effective teaching, and work/life balance. In addition, there will be two dinners, to give participants added opportunity to network.

This event is intended to provide intense mentoring and networking opportunities for everyone who participates. Thus, we encourage people who are able to commit to the entire workshop (starting with a dinner on Wednesday Jan. 3, 2024, and going through dinner on Thursday Jan 4, 2024) to apply. The AFA will pay for one hotel night, for all participants.

Application deadline: CLOSED
