

2026 AFA Junior Faculty Mentoring Program Event

The Junior Faculty Mentoring Program (JFMP) is hosting a day-long mentoring workshop in conjunction with the 2026 AFA meetings. Fourteen scholars (pictured below) have generously offered to serve as mentors. The event will include both breakout research sessions and panel discussions led by mentors. The breakout sessions will be in small groups, organized by research area. The panel discussions will focus on issues such as publishing, building networks, effective teaching, and work/life balance.

Applications are open to all junior faculty. The workshop is designed to offer participants intensive mentoring and networking opportunities. Thus, we encourage people who can commit to the entire workshop on Friday, Jan. 2, 2026 to apply. The event is co-organized by AFFECT.

Application deadline: Closed
